

Allura®

RESIDENTIAL EXTERIOR SHUTTER SYSTEM

Allura® Residential Exterior Shutter, Model 653RX, Solid Slat, Bronze finish

MODEL 653RX

This aesthetically versatile, UL 325 listed residential exterior shutter and operating system provides added security at the driveway access from the street or entrance to residential property in high traffic areas.

- Designed to restrict driveway access
- Extruded aluminum curtain and guides provide a compact design with an attractive, finished look
- Weather resistant enclosure for direct drive operator with quiet DC motor
- UL 325 listed for residential exterior shutter application with monitored NEMA 4X photo eyes and door force detection for safety
- Fully perforated or fenestrated slat options allow for visual access while maintaining security
- Sloped hood to promote moisture runoff
- Battery backup included for door operation during brief power outages. Manual operation in the event of extended outage 

The Genuine. The Original.
